EXAMINER'S AMENDMENT

(1)

An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on December 18, 2007, Chad Kleinheksel requested an extension of time for ONE MONTH(S) and authorized the Director to charge Deposit Account No. 230457 the required fee of \$60.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

(2)

The application has been amended as follows:

Claims 5 and 17 have been canceled.

Claim 1, line 7, "or" has been changed to "nor"

Claim 11, ^{line}7, "or" has been changed to "nor"
A

(3)

The following is an examiner's statement of reasons for allowance: The prior art of record discloses providing the labeling face of labeling apparatus with vacuum holes and projections, each projection either extending across the entire face or some or all of which completely surround a vacuum hole. The prior art of record does not disclose or suggest providing a tamping labeler or labeling apparatus with a tamping face having base including vacuum holes and discrete projections in which none of the projections

extend completely across the base and none of the projections completely surround a vacuum hole, as claimed in Claims 1 and 11, or a tamping labeler having flexible accordion sides for extension and retraction of the labeler and also which has a tamping face having base including vacuum holes and discrete projections in which the projections all have the same height and the projections each extending over only a portion of the base and not completely surrounding the vacuum holes, as claimed in Claim 7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
